Nanotechnology Conference is the first event of its kind Kuwait. It is expected to provide the highest quality networking experience possible for this year’s exhibiting. Exhibitors will meet with regional leadership from industry, academia, government and investment communities developing and commercializing the next generation of high-technologies.

Exhibiton Focus Areas:

**Electronics & Microsystems**
- Nano Electronic Devices
- Sensors Applications
- Nano Photonics
- NEMS Applications
- MEMS Applications
- Microfluidics Applications

**Materials & Technology**
- Novel Nano Materials
- Nano Particles
- Colloids
- Polymers
- Carbon Nano Structures
- Coatings
- Energy Applications
- Food & Personal Care

**Energy & Environment**
- Solar Power Technologies
- Energy Storage Technologies
- Oil, Gas, Nuclear & Traditional Energy
- Renewable Energy Technologies
- Bio Energy & Sources
- Environmental, Health & Safety
- Green Chemistry
- Water Technologies
- Smart Grid Technologies
- Cleantech Industry Applications

**Fabrication & Characterization**
- Design & Simulation Tools
- MEMS Fab & Foundry Showcase
- MEMS Processes & Materials
- IC & MEMS Test & Instrumentation
- Nanoscale Fabrication
- Particle Synthesis & Sizing
- Nanoscale Characterization Tools
- TEM, SEM, AFM, Optics, X-ray, NMR, FTIR, etc.

**Bio Analytical & Diagnostics**
- Mass Spectrometry
- Fluidics & Separation
- Assays & Diagnostics
- Array Technology
- Bio Surface Characterization
- Bio analytical, Diagnostics
- Imaging & Microscopy
- Drug Delivery
- Bio Sensors
Sponsoring the Nontechnology Conference and Exhibition

Raise your organization’s visibility across the entire technology innovation and commercialization community in Cleantech, Nanotech, Microtech, and Biotech. Join as a sponsor and be recognized as a leader in the Regional innovation community.

Who should exhibit?

Innovative Technology
Companies with innovative technology solutions looking for partners and customers across multiple industry segments—materials, electronics, energy, defense, biotech/pharma, transportation, water, environment and resource management.

Manufacturers
Tool and equipment manufacturers and software providers seeking customers in both the academic and corporate research and development markets.

Technical Services
Technical services companies providing engineering, manufacturing, analytical & testing support.
